13th Annual Conference on Autism & Related Disorders: Research-Based Solutions

**Instructions for registered attendees of our LIVE online conference Friday, April 24, 2020.**

[Our schedule may be downloaded for print.](#) The recorded presentations will be available for 10 days allowing you to earn your BACB® Learning CEUs should you miss any during the day. **After viewing all six presentations, you will complete the attendance verification requirements for the event and receive 6 BACB® Learning CEUs\* for behavior analysts.**

We are set to start at **8:30 am Pacific Daylight Time (CA).**

We will be turning the attendee list over to Adrienne Fitzer at [ABAC](#) and her team will create a username for you and get you set up. Follow the instructions below to log in. We recommend you set up your new password and log in the day before to make sure you are able to log in and that there are no issues. Included in your course list will be some trouble shooting tips if needed. Adrienne will be on call all day Thursday, April 23, 2020 to assist with technical log in issue. Please make sure to test the day before the conference. Her email address is [adrienne@abacnj.com](mailto:adrienne@abacnj.com) if you have any issues.

**To log in to the ABAC learning management system and access the webinar platform:**

- Go to [abacnj.com](http://abacnj.com)
- Click on the my account tab at the top right of the [abacnj.com](http://abacnj.com) site
- Enter in the email address we sent this email to and your password (To set up a password: Reset your password using the lost password feature)
- Log in.
- You will see a “course” list.
- **Course: 13th Annual Autism Conference**
- Press “Enter Webinar Portal”: This will bring you to the course portal.
- Follow the on screen instructions to “start course”

**TIP: Do not use Safari or Internet Explorer as your browser. They do not work well with the system.**

\*Partial credit will not be issued for this conference.
