Behavioral Science: Applications in Leadership & Supervision Conference 2020
Instructions for registered attendees of our LIVE online conference

Friday, November 13, 2020 delivered through our [technology partner, ABAC](#).

We are set to start with ‘check in & coffee time’ at **9:30 am Eastern (NY) Time / 6:30 am Pacific (CA) Time**. *If you miss any presentation, recordings will be available for 10 days after the conference.*

[All information is available through the CCBS website Event Listing including downloadable Schedule & Presenter Bios & Abstracts.](#)

You are registered in the [ABAC system](#). Follow the instructions below to log in. We recommend you set up your new password, if this is your first time with the Center and ABAC, and login well before the conference to make sure you are able to log in and that there are no issues. *If you have attended a Cambridge Center conference or ABAC event in the past, use your login email and password used previously.*

Please make sure to test the day before the conference. If you encounter problems, contact Adrienne Fitzer at adrienne@abacnj.com. She will be on call Thursday, November 12, to assist. Included in your course list will be some trouble shooting tips if needed.

To log in to the ABAC learning management system and access the webinar platform:

- Go to abacnj.com
- Click on the “My Account” tab at the top right of the abacnj.com site
- Enter in the email address we sent this email to and your password (To set up a password: **Reset** your password using the lost password feature - if you don’t get an email, check your spam folder.)
- Log in
- Complete “My Profile” with your information including your identification number (if applicable) for BACB® Learning CEs and/or Psychology CE Credits.
- Click on “My Course” tab to get your registered course(s).
- **Course Name: 2nd Annual Leadership and Supervision Conference**
- Press “Enter Webinar Portal” (righthand side): This will bring you to the course portal.
- Follow the on screen instructions to “Start Course” the morning of the event.

TIP: Do not use Safari or Internet Explorer as your browser. They do not work well with the system.

IMPORTANT CONTINUING EDUCATION INFORMATION:

BACB® Learning CEs: If you attend all 6 live presentations or a combination of live presentations and recordings, you earn your CEs through through the ABAC system. You will need to note codes given throughout each presentation. You will be instructed to complete the code verification and evaluation process through the ABAC system.

Psychology CE Credits: If you attend all six live presentations, you earn your CEs through the ABAC system. You will need to note codes given throughout each presentation. You will be instructed to complete the code verification and evaluation process through the ABAC system. If you’re attending a combination of live presentations and recordings, contact [Rebekah Pavlik \(pavlik@behavior.org\)](mailto:pavlik@behavior.org) for the Psychology CE Credit post test requirements to be completed through Amego Prepare.

The recorded presentations will be available for 10 days allowing you to earn your BACB® Learning CEUs and/or Psychology CE Credits should you miss any during the day.

***Partial credit for CEs will not be issued for this conference.**
