

## Call for Student Research E-Posters

15th Annual West Coast Conference on Autism & Related Disorders:  
Research-Based Solutions

Saturday, April 30, 2022

The Cambridge Center for Behavioral Studies through our associates at the University of West Florida, Center for Behavior Analysis, is now accepting poster presentations for our next conference!

Our 15th Annual Conference on Autism & Related Disorders: Research-Based Solutions will again be held as a hybrid in-person and online event this year. We are offering you an opportunity to present your poster to our attendees through a virtual poster session, a channel to disseminate your empirically-based ABA research in a visual online format.

Your poster will be presented during a special online presentation, as well as projected in-person. Each presenter will have a short, one minute video played prior to their poster, so viewers can receive an overview before the image of the poster is presented.

Interested participants should complete the information prompts below and email your responses to Robyn Catagnus [rcatagnus@thechicagoschool.edu](mailto:rcatagnus@thechicagoschool.edu) and CC [aba@uwf.edu](mailto:aba@uwf.edu)

**Deadline to apply:** 03/20/2022 at noon PST

**Acceptance confirmation will be provided by:** 04/01/2022
