Sponsor Levels & Benefits

15th Annual Conference on Autism & Related Disorders: Research-Based Solutions

The Hotel Corque, Solvang, California, Saturday, April 30, 2022 - A Hybrid In-Person or Virtual Event

Support the Mission of the Cambridge Center for Behavioral Studies™

Our mission is to advance the scientific study of behavior and its humane application to the solution of practical problems, including the prevention and relief of human suffering.

We are a non-profit 501 (c) 3 organization (Tax ID: 04-275-1296) that harnesses the expertise of hundreds of behavioral scientists to solve problems in the home, school, community, and the workplace.

The Center presents annual conferences on Autism & Related Disorders, Ethics and Leadership & Supervision. Each is a single-track event with six invited speaker presentations. Our latest evolving hybrid format, offering both in-person and virtual attendance, has expanded our local reach. Our last 2021 conference, Leadership & Supervision, reached 33 US States and other countries including Brazil, Canada, Finland, Japan, Kuwait, Switzerland, United Arab Emirates and the United Kingdom. Most attendees are ABA providers. We also attract psychologists, school administrators & teachers and parents/caregivers.

Commit early for the most exposure to our attendees, friends and supporters!

All Sponsor Benefits:

Sponsors may not “advertise” products or services. Advertising would include messages containing qualitative or comparative language, price information, or other indications of savings or value, an endorsement, or an inducement to purchase, sell, or use such products or services.

CCBS reserves the right to deny sponsorship opportunities. Potential sponsors should apply by contacting (insert your email).

Sponsors may not recruit staff at CCBS conferences.

Sponsorships are not considered tax deductible as they include benefits for the sponsor.

If you would like to make a tax-deductible donation, [please contact us](#).

[Contact Rebekah Pavlik to commit or for more information.](#)
