

SPONSOR BENEFITS

5th Annual Behavioral Science: Applications in **leadership & supervision** Conference

University of Kansas, KU Memorial Union, Lawrence, KS or Virtually
Friday, November 10, 2023

A one-day conference featuring leaders in the field of Applied Behavior Analysis, Organizational Behavior Management, and Autism, to discuss critical issues in supervision important to Behavior Analysts (BCBA-Ds, BCBA, BCaBAs & RBTs) and other professionals, such as psychologists, teachers, and special educators.

Cambridge Center Sponsor Levels & Benefits

Support the Mission of the Cambridge Center for Behavioral Studies™

Our mission is to advance the scientific study of behavior and its humane application to the solution of practical problems, including the prevention and relief of human suffering.

We are a non-profit 501 (c) 3 organization (Tax ID: 04-275-1296) that harnesses the expertise of hundreds of behavioral scientists to solve problems in the home, school, community, and the workplace.

The Center presents annual conferences on Autism & Related Disorders, Ethics and Leadership & Supervision. Each is a single-track event with six invited speaker presentations. Our latest evolving hybrid format, offering both in-person and virtual attendance, has expanded our local reach. Our past Leadership & Supervision Conferences have attracted registrations from 36 US States and countries including Brazil, Canada, Finland, Japan, Kuwait, Romania, Switzerland, United Arab Emirates and the United Kingdom. Most attendees are ABA providers. We also attract psychologists, school administrators & teachers and parents/caregivers.

Commit early for the most exposure to our attendees, friends and supporters!
