

Call for Student E-Posters Empirically-Based ABA Research

Behavioral Science: Applications in
**leadership &
supervision**
Conference 2023

University of Kansas, KU Memorial Union, Lawrence, KS or Virtually
Friday, November 10, 2023

A one-day conference featuring leaders in the field of Applied Behavior Analysis, Organizational Behavior Management, and Autism, to discuss critical issues in supervision important to Behavior Analysts (BCBA-Ds, BCBAs, BCaBAs & RBTs) and other professionals, such as psychologists, teachers, and special educators.

behavior.org

The Cambridge Center for Behavioral Studies through our associates at the University of Kansas, Department of Applied Behavioral Science, is now accepting poster presentations for our conference in November.

Our **5th Annual Behavioral Science: Applications in Leadership & Supervision Conference** will again be held as a hybrid in-person and online event this year. We are offering you an opportunity to present your poster to our attendees through a virtual poster session, a channel to disseminate your empirically-based ABA research in a visual online format.

Your video introduction and poster will be posted on behavior.org and linked in email communications.

Your poster will be presented during breaks/lunch for the in-person audience and projected through Zoom. Each presenter will have their short, one minute video* played prior to their poster, so viewers can receive an overview before the image of the poster is presented.

Interested participants should complete the information prompts below and email your responses to CCBS Trustee Dr. Robyn Catagnus at Robyn.Catagnus@gmail.com.

Deadline to apply: September 25, 2023

Acceptance confirmation will be provided by: October 6, 2023

Date posters & videos due: 2 weeks before conference

Submission instructions to apply for a poster presentation:

1. Name(s) List all co-authors, affiliation, credentials, and indicate the presenting author with an *
2. Email Address(s)
3. Affiliation (University/Organization)
4. Title of poster
5. Primary Area of study (e.g. Animal behavior, autism, behavioral pharmacology, clinical, community, social, or ethical issues, developmental disabilities, human development, experimental analysis of behavior, education/special education and school counseling. Organizational behavior management, practice, teaching applied behavior analysis, theoretical, philosophical, or conceptual issues, or verbal behavior.)
6. 150-word abstract
7. Figure (graph, schematic, etc.) or table showing your data or conceptual analysis

Accepted poster instructions:

Once your poster has been accepted, you will need to electronically submit (2) important files:

1. *An MP4 file where the presenter provides the audience with the following items (90 second limit):
 - a. A brief introduction
 - b. Organization affiliation (school or organization)
 - c. Title of research
 - d. Highlights of the research
2. The actual poster in a (1) slide PPT presentation
